## 2 CROWN

Support at an affordable price

### FEATURE ADVANTAGE BENEFIT

Multi Quilted Mattress Top Panel

Quilted mattress surface which creates a smooth and even sleep surface.

Acts as a comfortable cushion for your body.

ComfyFill

Foam, quality fillings and layers in the mattress.

Provides you with a comfortable sleep surface.

Insulator

A quality fibre pad which eliminates spring feel and insulates the mattress comfort layers from the spring unit.

Long lasting, consistent comfort.

**Bonnell Spring System**  
308 Bonnell springs in the queen size

Internationally tried and tested, the system is made from knotted, round-top, hourglass shaped springs which are laced together to form a strong support structure.

Provides you with durable, long lasting support.

24cm Solid Design Base

Solid wooden base engineered for strength and durability.

Provides your mattress with stable all round support thus prolonging its life.

5 Year Warranty

Guarantee on material and workmanship.

Peace of mind.
