8 CROWN PREMIUM SUPPORT TOP

Excellent comfort and support from head-to-toe

FEATURE	ADVANTAGE	BENEFIT
 Support Top	Additional layer of foam and fillings added to the mattress top.	Provides you with a firmer sleep surface.
 NEW! Bamboo	Cool, breathable fabric which acts as a natural barrier against bacteria and dust mites.	Promotes a cooler sleeping surface and a hygienic sleep environment.
 Ultrafill Comfort Layers	Layers of high of high quality foam and fillings in the mattress.	Provide you with superior comfort for a good night's rest.
 Dual Insulator	Quality fiber pad placed on top and in between the Dual Bonnell Spring System eliminates spring feel and insulates the mattress comfort layers from the spring unit.	Long lasting, consistent comfort.
 NEW! Dual Bonnell Spring System 720 Bonnell springs in the queen size	Dual layer of internationally tried and tested bonnell springs. The systems are made from knotted, round-top, hourglass shaped springs which are laced together to form a strong support structure.	Provides you with twice the durability and strength.
 Dual Edge Support	The mattress edge is reinforced with a dual foam barrier.	Creates a firmer edge and increases your sleeping area.
 Vents	Air outlets situated on the sides of the mattress which allow air to circulate within the mattress.	Keep your mattress fresh and healthy.
 28cm Solid Design Base	Solid wooden base engineered for strength and durability.	Provides your mattress with stable all round support thus prolonging its life.
 10 Year Warranty	Guarantee on material and workmanship.	Peace of mind.
